

Blessed Sun: Power in Your Hands! 2020

Welcome to the annual report of the Blessed Sun Foundation for 2020. A year with ups and downs because of the Covid-19 pandemic.

Our hacked website "blessedsun.org" was rebuilt by Mondo Amos, and we got many new followers on Facebook. We also started an Instagram account called "Blessedsunfoundation".

In Januari we donated lamps to the oldest pupils in our school in Kaluluni, and a new school in nearby Masaku. They were very happy!

We also collected the old, and no longer functional, lamps.

Unfortunately, soon after Covid-19 emerged, and all Kenyan schools were closed in March, not to reopen until Januari 2021. For nine months children in Kenya had to home school. Betty's Academy had to let most of her staff go because of lack of income.

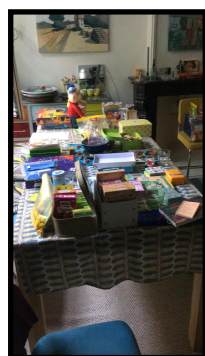

Students at Betty's Academy in better days (2019)

Back in the Netherlands we focussed on raising funds for the coming year. We were able to produce and sell over 300 cotton mouth masks to family, friends and colleagues, raising over € 1400.

Our Secretary Renee Dekker retired from work and collected € 535 by selling of various materials.

During the weekly summer evening dinners of the Rotary Club of Huizen Gooimeer, donations worth €405 were made to the foundation, for which we are very grateful.

A generous friend donated € 500, Asante Sana!

On December 11th 2020, the “Gooisch Lyceum” high school in Bussum celebrated “Purple Friday”, and Blessed Sun provided over 200 purple masks at € 250.

On the next page we show our financial report for 2020.

Assets in Euros	01-01-2020	31-12-2020	
Bankaccount current	2.370	5.218	
Bankaccount savings	13.816	13.817	
Lamps	224	0	
Total assets	16.410	19.035	

Income	Real 2020	Budget 2021
Mouth Masks	1.735	0
Rotary	405	500
Renee retirement	535	0
Donations	500	500
Other fundraising	0	500
Total income	3.175	1.500

Expenditures	Real 2020	Budget 2021	
Bankaccount fees	119	120	
Material masks	117	0	
Kitchen Kaluiluni		500	
Lamps x 35		250	
Total cost	236	870	

We are happy to have increased our assets, and are planning to realize a kitchen in Kaluluini, and provide more lamps to all schools next year.
